Atualizando... This article is about the 1998 Japanese horror film. For other uses, see Ring (disambiguation) "Towel-Headed Man" redirects here. Not to be confused with Towelhead. Ring (a.k.a. Ringu) is a 1998 Japanese supernatural psychological horror film directed by Hideo Nakata, based on the 1991 novel by Koji Suzuki. The film stars Nanako Matsushima, Miki Nakatani and Hiroyuki Sanada, and follows a reporter who is racing to investigate the mystery behind a cursed video tape; whoever watches the tape dies seven days after doing so. The film is titled The Ring (stylized as the Ring) in English in Japan and released as Ringu in North America. Production took approximately nine months.[4] Ring and its sequel Spiral were released in Japan at the same time. After its release, Ring was a huge box office success in Japan and was acclaimed by critics. It inspired numerous follow-ups in the Ring franchise, popularized Japanese horror (or "J-horror") internationally, and triggered a trend of Western remakes of J-horror films, including the 2002 American film The Ring.
