\& lt;p\& gt;Harrington on Hold \& \#39;em is a series of poker books about poker strat egy, particularly for Texas hold \& \#39;em poker tournaments. \& \#129534; They were all written by Dan Harrington and Bill Robertie and published by Two Plus Two P ublishing.\&It;/p\& gt;
\& lt;p\& gt;The Harrington on H old \& \#129534; \& \#39;em series of books were written by Bill Robertie and Dan H arrington, a professional poker player who has earned over \& \#129534; US\$4.5 million during his poker career. He has won two W orld Ser ies of Poker bracelets, including one from the 1995 \& \#129534; W orld Series of P oker M ain Event,[1] and he has made it to four final tables in total at the W orl d \& \#129534; Series of Poker (in 1987, 1995, 2003, and 2004).[2]\& It;/p\& gt; \& lt;p\& gt;V olume 3: The W orkbook ( ISBN 978-1880685365) is essentially a workbook containing \& \#129534; many example scenarios for readers to apply concepts lear ned from the first two volumes in the series.[3]\& lt;/p\& gt; \& It;p\& gt;Reception [ edit ]\& It;/p\> \& It;p\& gt;Greg \& \#129534; Hill of the website Poker News noted that since V olume 1 does not include some of the more basic information \& \#129534; about poker, it potentially discriminates against novice players and therefore could possibly b e restricting the book\& \#39; s audience to a more \& \#129534; limited audience. How ever, Hill noted that the book is \& quot;well written and well structured\& quot;, making it easy to pick up \& \#129534; the book and begin reading from any section of interest.[1] Tim Peters of poker magazine CardPlayer felt that the books \& \#1 29534; are essential in helping players prepare for poker tournaments.[2] J eff Haney of the Las V egas Sun considers the series to \& \#129534; be \& quot;required reading\& quot; for anyone interested in participating in high-stakes tournament p oker. The level of play in major poker tournaments \& \#129534; have gotten signif icantly tougher and more competitive since the release of the first book in the series, according to several \& \#129534; experts on poker tournaments, including poker professional Blair Rodman and M ason M almuth, the owner of the books \& \#39; p ublishing company. Harrington \& \#129534; himself is sometimes the victim of the strategies that he suggests in his books.[4] In addition, players have thanked h im \& \#129534; afterward for teaching them the new moves. \& quot; I find people are using a lot of the techniques I wrote about \& \#129534; in the books against me, \& quot; said Harrington.[4]\& It;/p\>
