Dragon Simulator 3D is a simulation game where you can be a dragon. The goal of the game is to complete the missions of dragons across the level and to collect stars. Once you have enough stars your dragon will upgrade to the next level and become stronger and faster. The missions in this game are really fun to play and they really improve your dragon skills. Fly over the mountains and soar down the peaks to get the feeling of actually flying.

How to play:

Dragons are not easy to control:

Move around - WASD

Spit fire - LMB

The scams operated from August 2024 to January 2024 and mostly defrauded older adults, according to court documents. In the fake lottery scheme, victims would receive a notification that they won a large sum of money, but were required to pay a fee before receiving the funds, authorities said.
