<p></p><p>2010 video game</p>

<p>Call of Duty: Black Ops is a 2010 first-person shooter game developed b

y Treyarch and published by Activision. 🎅 It was released worldwide in

November 2010 for Microsoft Windows, the PlayStation 3, Wii, and Xbox 360, with

a separate 🎅 version for Nintendo DS developed by n-Space. Aspyr later

ported the game to OS X in September 2012. It is 🎅 the seventh title in

the Call of Duty series and the sequel to Call of Duty: World at War.</p>

<p>Set in 🎅 the 1960s during the Cold War, the game's single-

player campaign follows CIA operative Alex Mason as he attempts to recall Ӿ

77; specific memories in order to locate a numbers station set to instruct Sovi

et sleeper agents to deploy chemical weapons across 🎅 the United States

. Locations featured in the game include Cuba, the Soviet Union, the United Stat

es, South Vietnam, China, Canada, 🎅 and Laos. The multiplayer component

of Black Ops features multiple objective-based game modes that are playable on

14 different maps 🎅 included with the game. Improvements to loadout opt

ions and killstreak rewards are made. A form of virtual currency, COD Points, &#

127877; allows players to purchase weapons and customization options for their

in-game character, as well as attachments and customization options for 🎅

; their weapon.</p>

<p>Development for the game began in 2009. Whereas Treyarch worked on both

World at War and the tie-in video 🎅 game for the James Bond film Quant

um of Solace simultaneously, they focused specifically on Black Ops during this

development cycle. 🎅 Different teams within Treyarch focused on a certa

in game mode. Black Ops runs an enhanced version of the IW 3.0 🎅 engine

used in World at War. The improvements made allowed for bigger campaign levels

to be made as well as 🎅 enhanced lighting. Music was composed by Sean M

urray, with licensed music by the Rolling Stones, Creedence Clearwater Revival,

and Eminem 🎅 appearing in the game. Avenged Sevenfold also recorded an

original song for the game as well. The marketing of the 🎅 game began i

n April 2010.</p>

<p>The game received generally positive reviews from critics with praise f

or its story, voice-acting, darker tone 🎅 and multiplayer modes, althou
