2-player games are fun games designed for two people

to share the keyboard and play together. So pull up an extra desk chair, because here at Kizi you'll find all of the most popular two player titles li

ke the Fireboy and Watergirl series, the Money Movers adventures, and m

any more! In each of these games, the players each control one of two characters using the arrows and WASD keys. Each character has unique abilities th

without good teamwork. It's not enough for just one character to reach

the door to the next level, you both have to make it there. If one character di
