silent-hill-game-series-scariest-best-worst-ranked

Long answer: I think it's best to start with the series' crown jewel, Silent Hill 2. If you're going to play 3, be sure to get a PS1 emulator and finish 1 first because 3 bases heavily on the first game's storyline (while 2 has its own independen) Tj T* BT

what silent hill game should i start with? since ive never played one before
