What's my golf handicap if I shoot 100? If we make the assumption that you're typically

playing a par 72 course, a player who scores 90 every time they play

would have a handicap of

approximately 28.

Learning to surf requires between two hours and one month of

practice. If you're struggling for more than two months to ride a

wave, then there's something wrong with you. The first thing you'll

need to master is lying and balancing on a surfboard
