

6+ Hold'em como funciona

All 6+ Hold'em games use a 36-card deck (with all cards lower than a 6) Tj T* BT

button blind structure: every player posts an ante, and the player seated at the button position is the only one who posts a blind meaning there is only one blind per hand, rather than traditional small/big blind format.

The action starts with the player seated to the left of the button. Each hand then plays out according to Texas Hold'em rules, with pre-flop, flop, turn and river betting rounds.

If you've played Texas Hold'em games before, the rules of 6+ Hold'em are easy to follow.

But don't forget: contrary to regular Texas Hold'em games,

in 6+ Hold'em a flush beats a full-house. A five-card hand consisting of Ace, 6, 7, 8, 9 (any suit) is also deemed a straight. All other hand rankings

remain the same.
