Usually business and school administration

offices disable this on a Chromebook because they give the device t

o you to use for work, therefore disabling access to certain websites

and features. They don't want you to mess around with their devices.

There are 3 solutions to this; Buy a personal Chromebook.

How can I inspect

If you're using a Chromebook managed b

y a school or business, the inspect element function might be blocke

d, and you'll be unable to follow the steps in this

guide. There's no way to unblock it without asking the administrator first.
