The game is &#127772; an online slot game with 20 paylines and 5 reels. The game has a medium to high volatility and an &#127772; RTP of 95.97%. It features a bonus game and free spins, but it is not a progressive slot. The maximum &#127772; win in the game is x37.500.[2] A subsidiary of NetEnt called Red Tiger Gaming created Gonzo's Quest Megaways which uses &#127772; the same game mechanics as the original, which was released in 2024.[3][4]</p><p>Gonzo the conquistador arrives at the Peruvian coast in &#127772; a galleon. He then steals a treasure map and sets in search of El Dorado, the lost city of gold.[5]</p><p>Gameplay &#127772; [ edit ]</p><p>The game has a feature known as &quot;avalanche&quot;. Instead of spinning reels, the symbols in Gonzo&#39;s Quest fall &#127772; into the reels. When a winning line is formed, its symbols explode and are replaced by new ones in another &#127772; avalanche, allowing for the possibility of multiple payouts within a single spin. There are 20 different pay lines offered.[6] The &#127772; Free Fall feature awards bonus rounds when three or more bonus icons appear. Five such icons result in the top &#127772; payout. Another version of the game, Gonzo's Quest Megaways, has an increased payout to be between 64 and 117,649.</p><p></p><p>Virtual Reality &#127772; [ edit ]</p><p>&lt;/p>&lt;/div>
