<p>Call of Duty: Modern Warfare 2 is a 2009 first-person shooter game developed by Infinity Ward and published🌝 by Activision. It is the sixth installment in the Call of Duty series and the direct sequel to Call of🌝 Duty 4: Modern Warfare. It was released worldwide on November 10, 2009, for Windows, PlayStation 3, and Xbox 360. A🌝 separate version for the Nintendo DS, titled Modern Warfare: Mobilized, was also released on the same day. A version for🌝 OS X was developed by Aspyr and released in May 2014, and the Xbox 360 version was made backward compatible🌝 for the Xbox One in 2024.</p>
<p>The game's campaign follows Task Force 141, a multinational special forces unit commanded by Captain🌝 Soap MacTavish as they hunt Vladimir Makarov, leader of the Russian Ultranationalist party, and United States Army Rangers from the🌝 1st Ranger Battalion who are defending the Washington, D.C. area from a Russian invasion. The game's main playable characters are🌝 Sergeant Gary "Roach" Sanderson, of the 141, and Private James Ramirez, of the Army Rangers, with Captain MacTavish becoming playable🌝 later in the campaign. The multiplayer mode was expanded upon from the previous game, with several new features and modes.</p>
<p>Development🌝 for the game began in 2008, when it was still known as Call of Duty 6. It uses the IW🌝 4.0 engine, an improved version of Call of Duty 4's IW 3.0. Infinity Ward was inspired by real-life conflicts when🌝 developing the campaign mode. They initially tested the multiplayer mode by playing an in-house beta version of the game. Modern🌝 Warfare 2 was officially announced in February 2009. Teasing of the game began in March, with short trailers being released🌝 for the game and, eventually, a full reveal trailer. The multiplayer mode was revealed shortly after. Two downloadable content packs🌝 were released for it post-release, each containing five new multiplayer maps, with some being remastered maps from Call of Duty🌝 3; 4.</p>
