<p></p><p> Pole Riders is a skill game where your objective is
to do pole vaulting and knocking a ball suspended above your head into the oppon
ent s castle. Player 1 uses the WASD keys to control their character, and Player
2 uses the arrow keys to control their character. Pressing left and right respe
ctively will make them run left and right. Pressing up and down will raise or lo
wer the pole they're holding in relation to which direction they're faci
ng. The ultimate goal of the game is to knock the ball in the middle to the oppo
site goal. Do you have what it takes to be the last one standing above the groun
d? Share the game with your friends to multiply the fun!Player 1 uses WASD to co
