Call of Duty Black Ops 2 MP with Zombie Mode PC Game 2024 Overview

Pushing the boundaries of what fans have come to expect from the record-setting entertainment franchise, Call of Duty®'s Black Ops II propels players into a near future, 21st Century Cold War, where technology and weapons have converged to create a new generation of warfare.

Full voiceover support for DLCs is available only for English and Russian versions of the game, you may experience silence and/or crashes with other languages when playing MP/Zombie modes.
