Stumble Guys is a multiplayer knockout game that allows you to play against other players in a variety of obstacle courses. The game is very easy to pick up and play, with simple controls - a virtual joystick to move your character and a jump button to move forward with momentum. It also features a variety of different avatars, which you can unlock using gold.

Stumble Guys was originally created by nine people. It is a socially driven game, whose fast-paced multiplayer gameplay and social mechanics will appeal to mobile gamers. It also has a variety of levels that are both challenging and rewarding. In addition to that, it allows players to customize their avatars, discover rewards and interact with other players. The acquisition of the game by Scopely will allow Scopely to expand the game's reach.

Similar to Fall Guys, Stumble Guys is a multiplayer knockout game that lets up to 32 players join a match. Players must run past their opponents and dodge obstacles in order to finish the level. The game features colorful graphics and an enjoyable playing environment. Stumble Guys is available for download on the Google Play Store, and you can also participate in the beta testing.

Stumble Guys was originally a mobile game, but it was later released on the PC. It can be played on Windows PC or Mac via an Android emulator. The recommended emulator for Stumble Guys is BlueStacks, which allows the game to be translated to multiple languages and provides support for high video and screen recording.

Stumble Guys is a multiplayer game that allows you to play against friends and other online players. It features a fun physics system and the thrill of competing against others. If you're looking for a new game to play with your friends, Stumble Guys is a great choice. You can even challenge your friends to a game of knockout!
