Fighting in Ukraine has entered a seventh day following Vladimir Putin's call for a special operation to demilitarise and 'denazify' the country - a justification dismissed by Kyiv and the West as propaganda.

But now The International Federation of Professional Footballers has confirmed Vitalii Sapylo, 21, and Dmytro Martynenko, 25, lost their lives in combat and have become the first football casualties of the war.

A FIFPRO statement read: 'Our thoughts are with the families, friends and team-mates of young Ukrainian footballers Vitalii Sapylo and Dmytro Martynenko, football's first reported losses in this war. May they both rest in peace.'

Sapylo - a goalkeeper who was part of third-division side Karpaty Lviv's youth team - joined the Ukrainian army as a tank commander but is said to have died defending the capital Kyiv last Friday.

His club Karpaty Lviv labelled him a 'hero' after announcing he had been killed in battle.
