Cover Orange: Gangsters is a puzzle platform game where you must stack objects to cover our orange friends and protect them from the impending acid rain. Our citrusy hero is back for more action, but this time we're being chased by gangster clouds, which are arguably more dangerous than normal clouds. Drag every object the game lets you and drop them; drop them in a way that forms a shelter over the oranges while the angry cloud passes over them. Don't forget to grab the hidden star in every level! Share Cover Orange: Gangsters with family and friends, so you can experience these entertaining puzzles together!

How do you play Cover Orange: Gangsters?

Throughout each level, you must place down stage elements; alter the environment and protect oranges from the acid rain of an evil cloud. These stage elements may vary in any way, from a triangular block to spiked balls that destroy ice to the oranges themselves. Use your finger, mouse or keyboard to position the various objects at your disposal, and drop them in a way that forms a shelter over the oranges.
