Our take on Stake is a good choice for beginner investors. On the negative side, Stake only offers stocks and ETFs limited to the US market. Customer service is substandard, and we also missed educational tools and materials to help clients get a better understanding of capital markets and trading.

Some of the best locations for Stake are Canada, Germany, and Austria. Setting your VPN to one of these countries will allow you to play all of the games available at Stake casino. However, you can also pick a country like Mexico, Lithuania, or Estonia where Stake is legal but doesn't display its full list of games.
