Flashpoint offers two types of software to anyone searching how to play Flash games in 2024 and beyond Flashpoint Ultimate and Flashpoint Infinity. The former requires you to download all the best Flash games available, while the latter allows you to pick and choose which Flash titles you want to download.

If you stumble upon an old website with a broken Flash title you'd like to play, you can do so by installing Ruffle on your computer. There are browser extensions for Chrome and Firefox. Just install the extension and any Flash content that you run into on the web, new or old, will automatically open in the emulator.
