Shred in skate parks like Ryan Nyquist and Dave Mirra in our BMX games.

You

can pull off any trick you can imagine, from double backflips

to 540 flairs! Just pick your favorite biking venue, from commercial skate parks to

mountain ranges and start pedaling. You'll feel like an X Games winner as you play our BMX adventures, showing your best tricks to the audiences watching. Our collection

has tons of different riders

regardless of your platform, you'll be able to play with users on other systems or devices.

This works thanks to current Call of Duty games utilizing Activision IDs to track accounts rather than being tied to a particular platform. This does mean you must make an Activision account to play the game.
