

# previsões futebol hoje

As of 2009, the gambling activities in Russia have been prohibited, according to the federal laws for gaming. However, regions like Kaliningrad, Primorsky, Sochi, and Altai are considered legal gambling zones in Russia where foreign investors can set up their casinos for gaming purposes.

Gambling Activities in Russia

companyformationrussia : gambling-activities-in-russia

Gambling (with exception of totalisator betting and bookmaking) is allowed only in the gambling zones designated by the government. There can be no more than five of these, and they must be located within the regions listed in the Gambling Law.
