Papa Louie - When Pizzas Attack Gameplay  
Papa Louie loves his parties. Unfortunately, a party at Papa's Pizzeria is cut short when Onion Ring comes in and compromised the orders. All the pizzas in the store turn into Pizza monsters and they take all of Papa Louie's customers. His customers have been whisked away to faraway lands where the player must use the power of the pizza paddle to be the hero of the story.  
Roy and Papa Louie must find all the customers in cages. The first customer, known as Big Pauly, provides pepper bombs to the players, at a price, but they help with getting through the Pizza Monsters' defenses.  
The controls for Papa Louie are similar to any side-scroller adventure. Use the left and right arrows to walk, the spacebar makes players jump, pressing the space bar twice will make players double jump.  
There is a finite amount of Pizza Monsters on each stage. When they are defeated, they turn into pizza boxes. Once the customer is freed by standing on the scale with the pizza boxes, they will give you a key to the next level.
