&#231; In the United States, the FTC had argued the acquisi

tion deal would hurt consumers whether they played video games on &#128182; con soles or had subscriptions because Microsoft would have an incentive to shut out

rivals like Sony Group.&#231;

&#231; However, Judge Jacqueline Scott &#128182; Corley ruled on 11 June: Th

e FTC has not shown it is likely to succeed on its assertion the combined &#1281

82; firm will probably pull Call of Duty from Sony PlayStation, or that its own

ership of Activision content will substantially lessen &#128182; competition in

the video game library subscription and cloud gaming markets. &#231;

&#231; To address the FTC's concerns, Microsoft had agreed to license &#128182

; Call of Duty to rivals, including a 10-year contract with Nintendo, contingen

t on the merger closing.&#231;

&#231; From Day One of this &#128182; acquisition, we've been committed to a

ddressing the concerns of regulators, platform and game developers, and consumer

s, said Microsoft's president, Brad &#128182; Smith, in a tweet. Even after w

e cross the finish line for this deal's approval, we will remain focused on &#12

8182; ensuring that Call of Duty remains available on more platforms and for mo

re consumers than ever before. &#231;

&#231; Microsoft has a deadline &#128182; of 18 July to complete the transact

ion with Activision Blizzard although both companies could choose to extend that

deadline.&#231;
