Cover Orange is a puzzle platform game where you must rearrange objects to cover our orange friends and protect from the impending acid rain. A deadly, genetically modified rain cloud of fruit-dissolving vapour is heading for the orange capital of the world. You must drag every object at your disposal and drop them in a way that forms a shelter over the oranges. Use your wits to create barriers that single-player games, where you compete against a PC opponent, these games can be played by two or more players and they are much more fun. In a free 2 player game online, you can either cooperate with your friend and compete against the AI, or challenge your friend in a 1v1 match to see who is the better player.
