<p>About This Game</p>

<p></p>

<p>Your main goal in Animal Shelter will be to look after, treat, and give

shelter to those under 🌈 your care. You will have plenty of work to do

with the shelter, which will become a refuge for any 🌈 creature in nee

d and will certainly help in finding suitable future owners. Keep in mind that t

he future owner-pet duo 🌈 must complement each other. Your main goal? F

inding a suitable home for your pets!Who doesn't love taking pictures of the

ir 🌈 pets? We provide you with your own photo room, where you can creat

e extraordinary photo sessions. Be creative, play around, 🌈 and finally

use the photos as decorations for the shelter. This will surely attract the att

ention of new visitors!The adoption 🌈 process is very lengthy and can g

ive your pets a hard time.Remember to monitor their needs: from hunger and healt

h 🌈 to willingness to play and love. Special name cards will certainly

come in useful. Their job will be to indicate 🌈 the current needs of yo

ur little ones.Remember! An entertained pet is a happy pet! Your pets will spend

most of 🌈 their stay at the facility in comfy boxes, which is why you

have to take care of the right amount 🌈 of daily entertainment and exer

cise to keep them strong, healthy, and relaxed. Pet them, hand out treats, play

with balls 🌈 or lasers, and they will surely repay you with great trust

and a happy muzzle!A shelter is not only boxes: 🌈 it is also a whole l

ot of other buildings. We give you the construction mode: manage, buy new buildi

ngs, rearrange 🌈 the existing ones, expand the area - you are in charge

! Remember that everything matters, and the spacing of outlets 🌈 is no

exception. Make your decision with caution. In the end, you will be the one movi

ng around the shelter 🌈 with your pets.In Animal Shelter, we bet on inn

ovation. You will not find our solutions in any other shelter. One 🌈 ex

ample is the complete absence of noisy delivery trucks, which will be replaced w

ith fast and quiet drones. Isn't that 🌈 cool? It will definitely mi

nimize stress in the animals that are not very fond of noise, and this is just &

🌈 one idea! Our game features so much more!</p>
