We are used to seeing and processing human faces an

d objects, but &#225;il

iggers fear&#225;il. The face we see technically has all the features that

should make it recognisable to us as a human but instead we are faced with so

mething feral, lacking humanity.&#225;il

ies&#225;il They are not indestructible like the Hunter but they are ev

en scarier. They are like the velociraptors of Necromorphs: very fast, deadly, a

nd heart attack-inducing. They are another zombie breed that lets out a loud and

shocking scream when they attack.&#225;il
