<p></p><p></p>In Catpad, you play as a cat! And as a cat, you can
do regular cat stuff; you can build 🌻 a tower out of boxes, play memory
and sometimes even drive a car at high speeds. As you play, shiny 🌻 po
wer-up balls will show up. Hitting enough of these balls will put your cat into
Fever Mode! In this mode, 🌻 your cat goes a bit crazy and will start sc
oring tons of points. This can help you to set new 🌻 highscores and get
new achievements. By getting good scores, you will unlock new items to decorate
your cats home with! 🌻 There's more than 6 games for you to master
. Can you and your cat become the perfect duo?</p>
<p>Click with the 🌻 cats face to give it a pet!</p>
<p>Who created Catpad?</p>
<p>Catpad is created by Venturous. Play their other game on Poki: Gobdun &
🌻 and Cubies!</p>
<p>You can play Catpad for free on Poki.</p>
