<p&gt;Following the canonical ending, Maxis then plucks Samantha&#39;s soul f
rom Richtofen's body on
                             , the Moon and forces her to join him in Agartha.
Realizing her father has been corrupted by the Aether, Samantha
to an alternate version of him, who resides in Dimension 63. She ends up in 1918
              during World War I, where Group 935 was formed much earlier, with
Maxis as one of its leaders, operating to , secure German victory in the war.
Group 935 created mechanical robots, as well as staffs that control the powers
of
       the elements. Stumbling upon an ancient tomb believed to be of Vril origi
n, they accidentally unleash the first known zombie , outbreak in history. Aim
ing to stop Germany, Japan, Russia and the United States of America send Takeo,
Nikolai and Dempsey , to capture Richtofen, the mastermind behind the advanced
technology. By this time, Group 935's operatives have been wiped out, and
   Maxis himself was lobotomized when he began to turn into a zombie. The group
are contacted by Samantha, who begs , them to free her from Agartha. Richtofen
puts Maxis' brain in a flying drone, and he joins the fight against
zombies and to free Samantha. The group is eventually successful, and while Max
is meets his daughter, they enter Agartha
                                          , to be rewarded. A cutscene is play
