This article is about the Nintendo DS version of Modern Warfare 3. For the console versions of the game, see Call of Duty: Modern Warfare 3.

Defiance does not follow the same storyline as Call of Duty: Modern Warfare 3. Like the previous Nintendo DS Call of Duty games, the storyline serves as a "companion narrative" to the console and PC versions.

The action then shifts to the Arizona/Nevada border, and the fighting at the Hoover Dam and surrounding Henderson, Nevada. A British force assaults the dam via helicopter, and manage to save generators powering the Nevada side, but are killed when the generators on the Arizona side are destroyed, leaving Arizona's power supply crippled.
