<p></p><p>About Gladiator Legends</p>

<p></p>

<p>The Gladiator Legends Slot Game RTP is 96.31 percent, with a Hit Freque
ncy of 26.71 percent. Gladiator Legends Game is a highly volatile slot which mea
ns that there could be stretches without wins but gives way for possible large w
ins. As you play Gladiator Legends slot, you will notice it is designed with hor
rific graphics that properly depict the theme's harshness. Five low-value 10
-A card royals and five bloodied war instruments make up the pay symbols. When f
ive identical symbols appear on a payline, the payment is 0.5-1 times the stake
if the payline is made up of low pays, or 5-30x the wager if the payline is made
up of high pays. Growling lion wilds can appear on any reel and replace any sym
bol, high or low paying. If five wilds appear on a line, they are also worth 30
times the stake. One of the highlights is the Bear Bonus. This feature can be tr
iggered by landing three bear Scatters in a row. This will earn you three respin
s which will be reset each time a VS symbol appears on the reels. At the start o
f the game, reels 1, 2, 4, and 5 are unlocked, while reel 3 is chained. To break
the chains, you'll need to land VS symbols on the other four reels.</p&g
