The easiest way to update your Android is

by connecting it to Wi-Fi and using the Settings app to find and trigger the upd

ate, but you may be able to use your Android's manufacturer desk

top software to force an update.

Check for upd

ates manually: Go to your device's settings, then navigate to the "Syst

em" or "About phone" section. Look for the "Software update"

or "System update" option and check for updates.
