The Frozen story and our best online games with Anna and Elsa

The first Frozen movie appeared in 2013 and fastly become one of the most popular Disney princess stories, and today dear girls you can see how much fun you can have playing the latest Frozen games for children that you can play even on your phones and tablets because most of the Frozen games are HTML5 that can be played on your phones and tablets for free right here on our website.

Frozen is a Disney story, in which the main characters is two princess sisters that live in Arendelle, a magic world, where people get along, but there's a twist in the story, because being in a magical world, one of the Disney princesses has magical powers. That's Elsa, the bigger sister who when she was little was exposed to a magical bean, and since then she was able to control ice and cold air, and that's from what the movie got its name of Frozen. Elsa might be the main character of the story, but she is always beside her little sister, Anna, who loves her sister and wants to do everything together with her
