<p></p><p>Five Nights at Freddy's is a horror video game i

n which you must survive after five nights at Freddy Fazbear's Pizza from th

e dangers of animatronic characters.</p>

<p>Your mission is to try to survive five nights at Freddy Fazbear's P

izza, where strange events often happen. As a nightshift guard, you need to keep

an eye on animatronic characters' movements via the restaurant's securi

ty cameras and avoid getting caught by terrifying dolls. When you are captured,

the game ends.</p>

<p>Why are the animatronic characters so scary? The animatronic characters

are usual during the day, but their behavior becomes unpredictable at night. Th

ey could catch you anytime if you are caught off guard. Make sure that you caref

ully monitor the security cameras positioned throughout the restaurant to observ

e the animatronic characters from your small office. If anything's wrong, na

mely that if Freddy Fazbear and his mates aren't in the right place, you hav

e to find them on the screens. If not, hide immediately.</p>

<p>Besides that, the energy source you can use every night is limited. If

you run out of power for the evening, there will be no safety doors and no light

s anymore. As a result, you can be caught by Freddy. Let's use power sparing

ly to protect yourself!</p>

<p>Transforming into a security guard and save your life. Try not to be fr

ightened by the odd actions of the animatronic characters in this game. Good luc

k!</p>
