Tan (O_O) is intended as an even cuter

or affectionate variant of -chan. It evokes a small child's mis

pronunciation of that form of address, or baby talk similar to how, for exam

ple, a speaker of English might use "widdle" instead of "little" w

ot; when speaking to a baby.

In Cantonese and Hakka,

the surname is pronounced Chan or Chun, while Tan

is used by Hokkien speakers.
