

O O bet365

Our tasty collection of Papa's games, which can now be played without flash, is filled with the most exciting management challenges in the world. We have every one of Papa Louie's restaurants, bakeries, and food stands, including his taco shop, salad stall, and pizzeria. You can choose one of the current workers, or create your own character from scratch. Make the fast food expert look like yourself, or design a totally wild person. Whoever he or she is, they must be able to fill orders quickly! Currently, we are working to get all Papa's Games running with no flash needed.

All of our Papa's games provide you with specific goals.

You may be saving up for a new car or ticket to the amusement park. The only way to achieve your dream is by serving customers and making money. First, you will take orders at the order station. Then, gather and prepare the correct ingredients at the grill, mix, or build station. Each restaurant has its own final steps. Serve customers in the neighborhood and at baseball matches!
