<p>Flags is a thinking game where you are presented with a random flag, and you must guess which country it belongs to. There are six main game modes: 1. Country from flag: You are given a flag and must guess the country. 2. Country from name: You are given a country name and must guess the flag. 3. Country from description: You are given a description of a country and must guess the flag. 4. Country from flag and name: You are given a flag and a country name, and must guess the flag. 5. Country from flag and description: You are given a flag and a description of a country, and must guess the flag. 6. Country from name and description: You are given a country name and a description of a country, and must guess the flag.

<p>similarly but in reverse: The game will show you a country name and present you with three flags to choose from. The quicker you answer, the more points you will earn. And the more questions you get right with, the more points you will earn.

<p>The game is available on the Android and iOS app stores. You can find it on the Google Play Store and the Apple App Store. The app is free to download and play, but there is an in-app purchase option for a premium version.
