They may be ready for more than you think. Developmentally, teens can handle dramatic and psychological suspense, but

kids under 16 still shouldn't see slasher horrors, especially

those that feature kids in dire danger or that have lots of gore.

At what age can my teen watch horror movies? | Common Sense Media

articles : at-what-age-can-my-teen-watch-horror-movies-|

Some are movies that are just spooky. Gentle thrills can let kids explore fears in a safe environment.

Others movies can be very scary and even violent. Scary movies that contain violence or adult content can have harmful effects on young viewers' behavior and mental health.
