

O O bet365

<p>What is a Weak Yen?</p>

<p>A weak yen refers to the decreased value of the Japanese yen in comparison with other 😆 currencies. This tends to make Japanese goods and services cheaper for foreign buyers, while imports become more expensive for Japan.&

lt;/p>

<p>Reasons 😆 Behind a Weak Yen</p>

<p>The value of the yen is influenced by several elements, such as interest rates, inflation, and economic 😆 growth. At present, the yen is weak due to the Bank of Japan maintaining a loose monetary policy, unlike most 😆 main economies that are tightening theirs. This gap in interest rates has led to the yen's devaluation.</p>

<p>Effects of a Weak 😆 Yen</p>
