There are two types of Jokers used in rummy card ga

mes - printed and wild.

Printed jokers are readily avai

lable in a standard deck. Whereas wild jokers are randomly selected cards at the

beginning of the game. For instance, if 8& is selected, then 8s from a

ll other suits become the wild Jokers of that game.

Each Joker can represent any color and

any number.

Jokers can be used in groups and runs, and both jokers

can be used in a single group or run. Once a Joker is on the mat, players can r

eplace it with a suitable tile from the mat or from their rack. This frees the J

oker for the player to use during the same turn.
