larger than last year. The increase is due to the increased amount of content available day after day (including Open-world Zombies), support for item carry forward from Modern Warfare 2, as well as new maps from Call of Duty: Battlezone.

players' attention was the massive file size of Modern Warfare 3, surpassing 200GB on console and PC.

Sit upright and you'll have the least chance of getting an auto injury. If you're wondering how to survive a car crash, the only thing more important than sitting upright is wearing a seatbelt. It will keep you secure and will lower your risk for serious injury. Headrests will also protect you during an accident.
