<p></p><p>A tweet from Phil Spencer, Microsoft Gaming s CEO, r

ead: We are pleased to announce that Microsoft and @PlayStation have signed

27817; a binding agreement to keep Call of Duty on PlayStation following the ac

quisition of Activision Blizzard. We look forward to 🍉 a future where p

layers globally have more choice to play their favorite games. </p>

<p>In the United States, the FTC had argued 🍉 the acquisition dea

I would hurt consumers whether they played video games on consoles or had subscr

ptions because Microsoft would have 🍉 an incentive to shut out rivals

like Sony Group.</p>

<p>However, Judge Jacqueline Scott Corley ruled on 11 June: The FTC has &

#127817; not shown it is likely to succeed on its assertion the combined firm w

ill probably pull Call of Duty from 🍉 Sony PlayStation, or that its own

ership of Activision content will substantially lessen competition in the video

game library subscription and 🍉 cloud gaming markets. </p>

<p>To address the FTC s concerns, Microsoft had agreed to license Call of

Duty to rivals, including a 10-year 🍉 contract with Nintendo, contingen

t on the merger closing.</p>

<p>On Sunday, Microsoft did not disclose the duration of the agreement wit

h Sony.</p>

<p></p>
