

cadastrou ganhou 5 reais bet

You may need to have a valid payment method on file, even if the app you want to download is free. fyi: Not all credit & debit cards seem to work with App Store / iTunes Store, try a different one, or preferably a credit card. If your card is not accepted as a payment method, you need to contact your bank.

I can't download an app due to billing problem with a previous purchase

Download apps to your Android device

Open Google Play. On your device, use the Play Store app

Find an app you want.

To check that the app is reliable, find out what other people say about it. ...

When you pick an app, tap Install (for no-charge apps) or the app's price.
