<p>About game «Age Of War»</p>

<p></p>

<p>Well, to be honest, the name of the newest Age of War game, whose main objectives 🛡 are to defend your own kingdom and vanquish the opposition

, is very lame. Let's attempt to explain our reasoning. The 🛡 answer is straightforward: after beginning the battle, we got so engrossed in it that

we spent an hour or so 🛡 working to solve the puzzle. What drew us in so strongly that it was challenging to leave. The first is 🛡 enjoyable

since it introduces you to amusing characters who are struggling to survive. The second is that we gradually moved 🛡 into the era of knights after the

battles of primitive people with the aid of everyday weapons like sticks and

28737; riders on dinosaurs, then there was the era of musketeers, the era of common warriors with machine guns, the era 🛡 of tanks, and the final era

- space warriors!</p>

<p></p>

<p>You have a set amount of money at your disposal, which you 🛡 can employ to build a sizable or merely numerical army. Additionally, there will

be three different sorts of soldiers in 🛡 every era save the last two,

and four to five in the latter two. Tanks and super warriors will be 🛡

present in the latter.</p>
