

# O O bet365

War of Sticks is a strategy game where you command a stick kingdom's military and manage their resources and workload to defeat the enemy forces efficiently. It's time for your poor stick people to break away from the oppressing Red Kingdom Empire. Mine, build, equip, upgrade, attack, and defend until your people are liberated. Start by training miners to collect gold, then use your earnings on units.

Play on PlayStation 4, PS5, Xbox One, X Series X and PC (via Steam And Battle.net).
