By showing ads, Voodoo makes money from the entire user base without relying on just a few paying players. This makes for a lower per player but steadier revenue stream. It partners with several ad networks to sell ad inventory on its games, such as AppLovin, InMobi, Mintegral, IronSource, and others.

building in the popular game Fortnite, you can build structures to change the outcome of the game modes to be the last player standing, using the different weapons and building blocks at your disposal. Build walls and ramps to defend yourself or to create your character and playstyle.

It's a fast-paced online shooting game where it's possible to build structures and eliminate opponents.
