ÊThe game is similar to candy crush, except that inst
ead of candy, we have Harry Potter characters. The game is structured
on levels, which have an increased level of difficulty as they are passed succe
ssfully. At each level, you will have a limited time to solve it. You
will have to match at least 3 characters in the same row to earn poi
nts. Try to solve the level as fast as possible so that in the end you make sure
that you manage to win it.
ÊHere you will also meet boosters or special powers that you receive as
a gift depending on how many characters you join in the same row. For
example, if you manage to unite five characters in the same row, you
will receive extra points and extra time to continue the level and manage to co
llect more coins. The game is suitable to be played with your friends
because they can also give you hints to help you identify the matche
s in the game map faster. You will also have fun together and be able to
test your attention together.
ÊEnjoy it!
