&lt;p&gt;I thought the game and awesome! The screen effects really made the story come to life. And it wasn't &#128200; boring where you just want to skip it through and move on, you really want to read it and see &#128200; what was happening! But there was only one problem, which caused me to delete the app. When you first open &#128200; the app, they ask for your age, one of the options is 18 and under. So I click that and &#128200; I start my first story. I really liked it! The story was well played out and I laughed a little &#128200; too. But the only problem was that the F word was put in there at least once in each story. &#128200; I think that is extremely disappointing that they would do that. If you click 18 and under, I expect the &#128200; creators of the app to eliminate all the F words and maybe more swears, I say this because 18 and &#128200; under does include 10 year old, and younger as well. I do not think it is appropriate to add those &#128200; types of swears into the younger category. It's a bad influence on children and really dangerous when you expose them &#128200; to that kind of language. So I think that they need to fix that immediately. It's ruined the app experience &#128200; for me. If they update it, and eliminate the F word from 18 and under category, I will gladly play &#128200; it again

.&lt;/p&gt;
