

semifinal da copa do mundo 2024

emulator, you can manually install the APK file. To install an APK file on the emulated Android system, you can use the following steps:
1. Open the Android Studio developer tool.
2. Go to the "Tools" menu and select "Run" > "Install on this device".
3. Select the APK file you want to install.
4. Click "Install" and wait for the installation to complete.
5. Once installed, you can launch the app from the "Run" menu.
