

O O bet365

The Cartel was developed by Techland for Microsoft Windows, PlayStation 3 and Xbox 360; it was originally published by Electronic Arts for PlayStation 3 and Xbox 360 in June 2011 and for Windows in September 2012. In March 2024, the game and its DLCs were removed from Steam.com.

As the game is an endless running game, there is no end to the temple; the player plays until the character collides into a large obstacle, falls into the water, or is overtaken by the demon monkeys.
