& ;& ;About This Game& ;  
& ;  
& ;PICO PARK is a cooperative local/online multiplayer action puzzle game for 2-8 players.& ;  
& ;& ;  
& ;The rule is quite simple: & ;Get & ; all the keys and get to the goal and clear& ;, but all 48 levels have special gimmicks designed specifically for & ; multiplayer. At most levels, different gimmicks will appear as you move forward, and you will need to consult with your & ; peers and think about new ways to cooperate. This version is essentially a port of the one we released on the & ; Nintendo Switch in 2024. However, it& ;'s not just a port, it now supports online play. The 2024 version of this link has & ; been renamed & ;PICO PARK:Classic Edition& ;[Flexible Level] Each level of PICO PARK can be cleared when players get the key, unlock the door & ; and all players reach it. But, every level requires cooperation to complete.. [Battle Mode] Co-op play is the main work of this game, & ; but let& ;'s compete with friends in BATTLE MODE once co-op play is completed. [Endless Mode] Even if you complete all 48 stages, & ; you can play ENDLESS mode to aim at high score by collaborating with friends. By collaborating with friends, your score & ; will grow faster. [Online Play Mode] You can play together online with people who are far away from you. However, this is a & ; game where communication is very important, so we recommend using Discord or Zoom to play while talking. [TecoGamePad] TecoGamePad change your smartphone & ; turn to gamepad (for local play mode) Android: Sorry, It is no longer available. iOS: http://
