<p>Pole Riders is a skill game where your objective is to do pole vaulting and knocking a ball suspended above 📈 your head into the opponent's castle. Player 1 uses the WASD keys to control their character, and Player 2 uses 📈 the arrow keys to control their character. Pressing left and right respectively will make them run left and right. Pressing 📈 up and down will raise or lower the pole they're holding in relation to which direction they're facing. The ultimate 📈 goal of the game is to knock the ball in the middle to the opposite goal. Do you have what 📈 it takes to be the last one standing above the ground? Share the game with your friends to multiply the 📈 fun! Player 1 uses WASD to control their character, and Player 2 will use the arrow keys to control their character.
